

Nellie Profile

Name: Nellie

Age: 7 years old

Gender: Female

Spayed/Neutered: Yes

Shots: Current

Personality/Traits: Nellie is a sweet, shy girl who is still trying to get used to her new surroundings. She came to us from the Phoenix shelter as a stray, so unfortunately, we don't know much about her past. We do know that she is very skittish and has a hard time trusting people. She seems to prefer women over men. Nellie is house trained and will use the doggie door, but prefers to go to the backdoor to be let out. She is kennel trained and it is where she goes to feel safe. She does want attention, and will seek it out, but then gets spooked and will take off. On a few occasions she has sat with her fosters on the couch, so she is making progress in learning to trust, but still has a ways to go. Nellie will need a patient home, and someone willing to work with her and give her time to adjust.
