'I will ascend into Heaven, I will exalt My Throne above the stars of God: I will sit also upon the Mount of the Congregation, in the Sides of the North' -Isaiah 14:13-15

This study presents a Conceptual Rendition of what the past 2nd Temple Era Boundaries consisted of, and how past Structures and Boundaries correspond to the current present-day Temple Mount Layout. The possible future 3rd Temple Overlay might be based on such Dimensions. As to the possible Timing of the 3rd Temple? It could very well be signaled by the conclusion of a Sabbatical Cycle of 7-Years. And then coincide with Israel's 77th year Anniversary in 2025.

The national state has not been in existence since 70 AD. And now, the Jewish population has reached over 7 Million in Israel. With the ever increasing Threat of a World War in the Middle East, the Time has come for the Jewish Nation to once again rebuild the Temple of Worship that YHVH directed would be a House of Prayer for all Nations. Perhaps, now that Israel is a Sovereign Nation and the Temple Mount is under its jurisdiction, the 3rd Temple will be built within this Last generation since 1948. Perhaps a War or Calamity will occur to Facilitate this.

The Book of Daniel alludes to there being in Daily Sacrifice at the End of Time, a Future Temple that will be fully Operational per Daniel 11:31. The Prophet Daniel further Elaborates, that the 3rd Temple will have the long Lost Ark of the Covenant. It is what is left of the Original Furnishings constructed by Moses. Perhaps it will be Unveiled once the Conditions to rebuild the 3rd Temple is Prime and the Jewish False Messiah comes on the Scene.

This 'Messiah' will 'Confirm' the Covenant with Israel. It will be the Covenant of Death per Isaiah. But it will be the AntiChrist that will sit on the Ark of the Covenant and Proclaim himself to be worshiped as 'God'. That Event is called the Abomination of Desolation. The Books of Daniel and Revelation allude to the AntiChrist ordering the Halt of the Daily Sacrifice as he subsequently enters the Holy of Holies to proclaim his divinity and required worship. In preparation for his Arrival, the Temple institute finished one of the last of the Temple items for the Temple Service, the Adjustable Crown.

Furthermore, the Temple Institute has a Computer DNA Data Bank of those Descendants of Aaron. They have been Procured and have been in Training to be the Priest. They have also Rehearsed the Altar Protocols. What remains is the Ark of the Covenant. The Ark of the Covenant will not be Replicated as it is to be Retrieved.

3rd Temple is Ready

Many believe that it is hidden and at the Right Time, it will appear to be placed in the 3rd Temple's Holy of Holies. Another group called the Temple Mount Faithful has the Cornerstones ready to be set in place. Also, due to DNA and current Science, Red Heifers are being Procured as well. They are needed to Purify the Temple Mount when it will be ready for Consecration and the Daily Sacrifices to begin. It has been stated. 'We are very close; all we need is for Messiah to come'. The possible scenarios for 3rd Temple to be allowed to be constructed are as follows.

1. A treaty with the 'Many' is declared and recognized by the world and Israel is confirmed in exchange for the construction of the 3rd Temple.

2. A spoil obtained by a possible all-out military and religious Islamic assault as alluded in Psalm 83 in which Israel's enemies are supernaturally defeated and the Muslim threat to Israel's security is such that she will abide in 'cities without walls' in preparation for the later Gog-Magog invasion. -Ezekiel 38-39

There are many Theories of where the Temple is to be built. One proposes the Location is over the site that is where the Dome of the Tablets is at. This would Religiously and Politically, prevent the Dome of the Rock from having to be Altered. Another Possible Scenario that would allow the construction of the 3rd Temple is an Earthquake.

Jerusalem has 2 Fault Lines that intersect at the Temple Mount. One Earthquake Fault Line runs North-South, the 2nd Fault Line runs East-West. Both Earthquake Fault Lines converge at the Kidron Valley, adjacent to the Golden Gate. These Fault Lines could facilitate the splitting of Jerusalem. It will when Jesus returns as described in Zachariah.

The 3rd Temple will be Modeled after the one that was refurbished by King Herod. In essence this 2nd Temple was built by Zerubbabel. It last stood until its Destruction in 70 AD by the Roman Prince Titus with the 5th, 10th, 12th, and 15th Legions on the 9th of Av. There has been an Amazing Discovery of a Mathematical Dimensional Code of Prophecy, revealed in David Flynn's Book, titled 'Temple, Center of Time'. In it, he Postulates that the Dome of the Tablets is where the Holy of Holies should be.

From that Reference Point, 'Time' can be Measured-Out to Specific Dates. And? They are directly related to Events of the Temple Mount throughout History. As an Illustration, a possible Future 3rd Temple is overlaid on the Temple Mount, based on perhaps what could be a Pivotal Clue using the Fibonacci Ratio. The Theory presented here, is that Mathematically, the first Phi Ratio or 'Spiral' from the Dome of the Rock projected-out to the Dome of the Tablets, will establish the 2nd, by using its similar Dimensions from that same Point.

As to where the 3rd Temple will be, the Fibonacci Ratio will be projected-out from the Dome of the Tablets to speculate the actual Dimension and Boundaries of the Temple Mount Proper. Given this Hypothesis and Phi Ratio Template, the Dimensions of the Temple Proper from the End of the Court of Israel, to the End of the Temple's Edge is in Direct Proportion to the Fibonacci Ratio.

In turn, the Dome of the Rock's is in Phi Ratio to the Dome of the Tablets and has the same Proportion as the Temple. On the account of the Center Point Spiral, its Fulcrum is directly over the Dome of the Tablets. This is where, precisely the Mark the Temple's True Location was is and will be. One is using Google Earth Software to determine this from a Satellite View. And why is the Holy of Holies so Important?

The Ark of the Covenant was situated there. It was basically a Portable 'Throne Chair' in which the Glory of the Presence rested and that Presence of YHVH was Manifested to Israel. It Mirrored the real one in the Throne Room of YHVH in Heaven. The Ark's Design depicted in the Charts is by Ron Wyatt's Eyewitness Account.

As noted, it is believed that the Ark of the Covenant will be Revealed and Placed in the 3rd Temple. It will unite the World after the Rapture. But it will be made to be Desolated because the AntiChrist will sit on it, as 'King'. This has always been the Desire of Lucifer that is doing it by Proxy through his False Messiah, etc. This quest has been Lucifer's Master Plan since his Revolt in Heaven and all through the Ages.

Since he cannot do it in Heaven, he will do it on Earth. It is the next best attempt. This Earthly Throne belongs to the Royal Bloodline of Jesus Christ as He rightly can claim to be the Son of David. It is he, the true Anointed One that has sealed Satan's Judgment and Doom at the Cross of Calvary. And it will be Jesus that will sit on David's Throne as He Rules with a Rod of Iron for the Duration of the 1000 Year Millennial Kingdom on Earth.

THE JEWISH 3RD TEMPLE

ARTICLES AND FURNISHINGS PREPARED FOR THE FUTURE TEMPLE SERVICE

POSSIBLE SCENARIOS

1. A political "conferring" could be brokered in which some possible "Peace for Land" is made in which the construction and service of the 3rd Temple commences.

2. A treaty in which a Palestinian State is declared and recognized by the world and Israel, confirmed in exchange for the construction of the 3rd Temple.

3. A spoil obtained by a possible all-out military and religious historic assault as alluded in Psalm 124 in which Israel's enemies are supernaturally defeated and the Muslim threat to Israel is such that she will abide in "cities without walls" in preparation for the later Gog-Magog invasion.

There are many theories of where the Temple is to be built. A speculative position is that of the site that is over the Dome of the Spirits. This would religiously accommodate the Dome of the Rock from having to be altered.

The Ark was basically a portable "Throne Chair" in which the Shekhinah (raw Glory radiated and the Presence of YHWH) was manifested to Israel. It remained the real one in the Throne Room of God in HEAVEN. The Ark will be revealed and placed because the Antichrist will sit on it. This seat has been Lucifer's Master Plan all through the Ages and since he can't do it in Heaven, he will do it on Earth physical through his false Messiah.

"I will ascend into Heaven, I will exalt My Throne above the stars of God. I will sit also upon the Mount of the Congregation, in the Sides of the North" - Isaiah 14:13-15

But this Throne belongs to the Royal Bloodline of Jesus Christ, rightly claiming to be the "Son of David" seated upon Judgment and Doom at the Cross.

Sealed up to prevent Messiah from entering through Muslim cemetery as Christ is prophesied to enter it at 2nd Advent - EZEK 43:1 / ZECH 14:2

TEMPLE MOUNT Jerusalem, Israel

THE END OF DAYS

Israel was born in "One Day" on Friday 9 Sivan 5610 (May 14, 1948). The nation was back to her "Promised Land" and in 1951 the Jews re-occupied the Old City of Jerusalem along with the Temple Mount. The territory was not under Jewish sovereignty control since 70 AD when the Nation was exiled and the 2nd Temple was destroyed on the 10th of Av we see the 1st Temple destroyed on the 10th of Av we see the 2nd Temple destroyed on the 10th of Av we see the 3rd Temple to be built shortly. Perhaps a war of calamity will occur to facilitate this. Another possible scenario would allow the construction of the 3rd Temple in an earthquake, Jerusalem has a fault line that intersect at the Temple Mount, Tiber.
