**Protect others from getting sick**

Avoid close contact when you are experiencing cough and fever

Avoid spitting in public.

If you have fever, cough and difficulty breathing seek medical care early, and share previous travel history with your health care provider

A-Sick

**STAY HEALTHY WHILE TRAVELLING**

If you become sick while travelling, inform crew and seek medical care early

If you seek medical attention, share travel history with your health care provider

B-Travel

**Protect yourself and others from getting sick**

**Wash your hands**

- after coughing or sneezing
- when caring for the sick
- before, during and after you prepare food
- before eating
- after toilet use
- when hands are visibly dirty
- after handling animals or animal waste

C-Wash Hands

**STAY HEALTHY WHILE TRAVELLING**

When coughing and sneezing cover mouth and nose with flexed elbow or tissue - throw away immediately and wash hands.

If you choose to wear a face mask, be sure to cover mouth and nose - avoid touching mask once it's on - immediately discard single use mask after each use and wash hands after re-wearing masks
