

Day Five

(1:20-23) The Source of Life said, *“Let the waters teem with creatures with a living soul; and let winged creatures fly over the Earth and over the surface of the Skies.”*

The Source of Life created the great water creatures and the moving water creatures that swarm the waters according to their kind; and every winged creature that flies, according to its kind. The Source of Life saw that it was good for Life.

The Source of Life blessed them, saying: *“Be fruitful and increase, and fill the waters of the seas; and let the flying creatures increase in the Earth.”*

And it was evening and it was morning, Day Five.
