

Holiday Gift Card Sale with Scrip

What is Scrip?

• **Scrip is fundraising while you shop®!!** Scrip is the word for alternative money in the form of a certificate. Nowadays we could just call scrip “**gift card fundraising**”

- Unlike other fundraisers where you sell products or ask for donations, with Scrip, you raise money by purchasing gift cards on ShopWithScrip.com and paying for all your normal purchases with the gift cards – no extra sales or donations necessary! These gift cards all have a rebate percentage on them, normally between 2% and 16%, which is the amount that will go directly to your Student Point Account (SPA) and SFMA (per the usual split) when you buy the gift card at face value.
- The gift cards on ShopWithScrip are the same cards you can purchase while you’re at the store. ShopWithScrip works closely with over **750** retailers, and they purchase the gift cards directly from them so that we can earn the highest rebates
- **Raise money just by using Scrip gift cards to make your everyday purchases!** Use the gift cards to pay instead of credit cards, debit cards, or cash when you go shopping, out to eat, out to the movies etc! **This accumulates credits to your SPA without any extra effort!** SPA credits can be used toward any music related expenses – lessons, instrument rental or purchase fees, clothing, music ensemble trip costs etc. Contact Dan Johns at dan@crazychaos.com for more information about SPA.
- For more information about this year-round, no-sell fundraiser, visit springfordmusic.org/fundraising or contact Kim Staquet at jknjs@aol.com

SFMA will be offering gift cards for all music families. Simply complete the order form below and send with your check payable to SFMA to your music director **BY NOV 26TH**. Your orders will be available for pick up at your child’s Winter Concert: Some additional cards may be available for purchase at the Concerts as well.
