 Course Spooky Brook - Blues (69.7 /121)  
 Weather Fog Fog and More Fog

This might have been the craziest weather ever - the fog was so thick that you couldn't see tee shots land and you could barely make out that there was a pin on the green. No way to tell if it was front or back from the fairway. Petro said he was able to use his shooter on one hole the approach to 18. This was the first round with the new World Handicaps and Babo won even though he said "i've never played as a 14". A lot of guys in the field played at the lowest handicaps in their DGA careers. The scoring was good given the wet fairway conditions and the fog. At least the greens weren't frozen!
