PURPOSE**

1. These "rules and regulations" are designed for the protection of owners of internment rights as a group. They are intended, not as restraining, but rather as preventing the inconsiderate from taking unfair advantage of others. Their enforcement will help protect your Cemetery and create and preserve its beauty. These rules and regulations are hereby adopted as the rules and regulations of the Bellevue Memorial Park, Inc., and all owners of internment rights, visitors and contractors performing work within the Cemetery shall be subject to said rules and regulations, amendments or alterations as shall be adopted by the Bellevue Memorial Park Cemetery from time to time.

4. The term "**interment**" shall mean cremation and inurnment, entombment or burial of the remains of a deceased person in a lot, mausoleum, or niche. The term "**double interment**" shall refer to interments in double depth lots.

10. The Cemetery reserves, and shall have the right to correct any errors that may be made by it either in making interments, disinterments, or removals, or in the inscriptions, transfer, or conveyance and substituting the conveying in lieu thereof other interment rights of equal value and similar location, as far as possible, or as may be selected by the Cemetery or, in the sole discretion of the Cemetery, by refunding the amount of money paid on account of said purchase. In the event such error shall involve the interment of the remains of any person in such property, the Cemetery reserves and shall have the right to remove and transfer such remains so interred to such other property of equal value and similar location as may be substituted and conveyed in lieu thereof. The Cemetery shall also have the right to correct any errors made by placing an improper description, including an incorrect name or date either in the memorial or on the contained for cremated remains.
