

Spring & Summer at the Library

Spring has been beautiful so far, and we're enjoying every moment of these mild days. We are hoping for some rain soon—we certainly need it and we are also crossing our fingers for a few more pleasant spring days before the summer heat settles in.

Library Expansion Update

The library expansion is coming along very nicely! We are excited about the day we will move into the new space and begin offering even more training opportunities, educational programs, and entertaining events right here at the library.

Our spring and summer calendar is nearly full, thanks to Denise's hard work scheduling programs that we think you will love. Below is a preview of what's coming up. If something catches your interest, please give us a call, visit our website, or stop by the library for more information.

Note: Until the expansion is complete, most programs are being held at **First National Bank**. We are incredibly grateful for their generosity in providing space during construction.

Seed Library Is Open!

Our Seed Library is going strong again this year! If you are looking for FREE seeds to plant flowers, vegetables, or herbs, stop by the library and see what's available to "check out." This is a wonderful time to start planting for your summer harvest.
