Disclaimer

This statement constitutes a legal disclaimer for any and all advice contained in this booklet, conveyed verbally or disseminated by these Cruise Leaders. The old sailor's adage, "Never rely on someone else's charts, advice or direction" is certainly applicable here. You and you alone are the keeper of your soul, sometimes your mate, and always your vessel.

The information contained herein might be acceptable. The coordinates may be close but not exact. The courses may be close but not exact. In fact, neither may even be close. Study your own charts and make your own calculations and act accordingly. There are undoubtedly mistakes in the proposed courses and waypoints. There may even be errors. If so, they are unintentional and not deliberate.
