Let Experience be Your Guide

CARDIOVASCULAR TECHNOLOGIST – CATH LABORATORY - EUREKA, CALIFORNIA

WEBCO HR, Inc. is seeking a Cardiovascular Technician in the Cath Laboratory for one of our clients located in Eureka, California.

RESPONSIBILITIES:

Under general direction of the Department Manager and/or Lead Technologist, and in collaboration with the Medical Director of the Cath Lab, cardiologists, radiologists, and other medical staff, the Cardiovascular/ Interventional Imaging Technologist is responsible for the performance of advance cardiovascular and interventional imaging procedures. Serves as a customer service representative to patients, their families, the public, and the medical staff. Participates in quality assurance and organizational improvement activities. Provides age-appropriate care (e.g., assists with data collection and providing care) for adolescent, adult and geriatric patients.

REQUIREMENTS:

- Graduate of ARRT School, or equivalent education/ experience.
- California Radiologic Technologist upon hire.
- National Certification from American Registry of Radiologic Technologists upon hire.
- National Provider BLS - American Heart Association upon hire.

Preferred Qualifications:

- Additional training in angiocardiology, or equivalent education/ experience.
- Advanced registration from ARRT in Cardiovascular and Interventional imaging upon hire.
- 2 years of experience as a scrub technician in an acute care hospital.

COMPENSATION:

- \$99,819 to \$125,236 Annually.
- Full Benefits.

THE COMPANY:

At one of our client's medical centers, they see more than patients, they see the life that pulses through us all. That's why they're dedicated to a holistic approach to medicine that employs not only the most advanced treatments to improve outcomes but also puts compassion and humanity at the heart of every interaction.
