### 1. Approval of June 13, 2019 Special Meeting Minutes

Terry Walker states that it was brought to the Housing Authorities attention that the June 13, 2019 Special Board Meeting Minutes were not put on the agenda for approval. Discussion took place amongst the Commissioners and additional clarification was given regarding why the minutes were put in the November 21, 2019 Board Packet. Terry Walker stated that in the past, Special Meetings Minutes were not brought forth to be voted on. Most Commissioners did not remember the specifics of the meeting due to 5 months passing since the Special Meeting took place and requested additional clarification. Commissioner Tonda Hines suggests that whomever reviewed the recording and or looked at past minutes make sure they make the issue known in a more timely fashion as it is difficult to recall the details in question from a meeting that happened so long ago. Commissioner Tamara Holmes states it was brought to the Commissioners attention not because it was not approved but because the election of officers was not on the agenda for that evening. Terry Walker states election of officers was the only topic of discussion for the June 13, 2019 Special Meeting's agenda and went on to give the timeline of events leading up to the Special Meeting that was scheduled. Tamara states she would review her Board packets. After discussion, Commissioner JeNeva Adams asked for a motion to vote on the June 13, 2019 minutes electing Executive Board Officers. There was no motion to vote. Commissioner JeNeva Adams, again asked for a motion with no response. Terry Walker suggested that Commissioners review the minutes. Commissioner Hines then motioned to approve the minutes as they are, but requested an Executive meeting following the Board Meeting. Commissioner Margaret Owens seconded the motion to approve the Special Meeting minutes Electing Officers, but stated seconding the motion was contingent upon other Commissioners availability following the meeting. Commissioner Hines withdrew her original motion. Commissioner Tonda Hines then motioned to approve the minutes as they are and Commissioner Margaret Owens seconded the motion. The June 13, 2019 Special Meeting Minutes were passed with 6 yea's and 1 nay.
