

OVERNIGHT BOARDING DROP-OFF CHECKLIST

BEFORE DROPPING YOUR PET(S) OFF AT WAGGING LOUNGE DOG RESORT FOR YOUR OVERNIGHT STAY, BE SURE TO READ THE FOLLOWING GUIDELINES & SUGGESTIONS:

WELCOME to WAGGING LOUNGE DOG RESORT

Thank you for choosing us for your Daycare & Boarding needs. We've provided some information below to answer some of the most frequently asked questions concerning our Daycare & Boarding. Please feel free to contact us via phone, email, or website for more information.

FOOD

To ensure consistency in your pet's diet, we recommend that pet owners bring their pet's regular food when their dog boards with us. A consistent diet helps minimize tummy aches and promotes a sense of familiarity. Please bring your dog's food (pre-measured per meal) in zip lock baggies labeled with your pet's first and last name. By providing pre-measured food, we can assure you that your pet will receive the exact same amount of food they receive at home, thereby preventing over or underfeeding. Please provide the correct amount of food plus a little extra in case extra feeding is necessary. We DO NOT accept oversized tubs/containers/bags as we have very limited storage space.

BEDDING

We want your pet to feel comfy and cozy when they stay with us overnight. "Home away from home" is our goal. We provide Fleece Blankets, Bedding, Raised Kuranda Beds, and Stainless Water/Food Bowls. **We DO NOT ACCEPT BEDDING**, but will accept a **THIN** blanket NO LARGER THAN 3ft x 3ft. Any item larger than this will be turned away or kept in with your belongings. We do not have storage space.

LUXURY VILLA SUITE

Our Villa Suites are fully furnished in a large, enclosed private space. Parent's are permitted to bring extra blankets, toys, and chews. Wagging Lounge is not responsible for lost or damaged belongings.

TOYS & CHEWS

Most of our guests use the down time for naps & rest and rarely chew toys. There may be neighboring guests that are more interested in another guest's toy, causing distraction from rest. We do not accept toys & chews for this reason.

MEDICATION

All Medication should be clearly labeled with your pet's first and last name and dosage requirements (original labels are preferred). Feel free to include information on how best to administer your pet's medication. Knowing the best manner to provide your pet with their required medication will ensure that your pet receives their medication properly and without added stress.

VACCINATIONS

REQUIRED: Rabies, Bordetella, Distemper/DHLLP.

Your pet(s) vaccination records must be up-to-date and presented to WAGGING LOUNGE DOG RESORT before we are able to accept them for Boarding. Please contact us if you are not sure about the updates, or you may bring a copy of your dog's latest vaccinations with you upon check-in.

FLEA CHECK NOTE: All dogs with flea infestations will not be accepted and turned back to the owner. NO EXCEPTIONS. The safety and health of all of our Pet Guests and Employees is of utmost importance at WAGGING LOUNGE DOG RESORT.

EXIT SERVICES

Upon Check-in, let us know if your pup needs a Bath, Nail Trim/Grind, Gland Exp, Teeth, or Other Services.

"LIKE US" on FACEBOOK & INSTAGRAM: We update our pages daily with your pup's activities and friends.

Pets may be dropped off or picked up any time during normal business hours.

***** Latest check-out & check-in time is by 30 minutes prior to closing time. *****
