Hi Randy and Diane,

I purchased Ole ("O" - "Lee") from you last April. When I was leaving with my new pup you asked I send pictures. Well I have three pictures for you. First, is him training to retrieve. The second, is my brother hoisting him over his shoulders. Randy showed up this when we left in case you ever need to carry a dog out of the field. Last, is one of Ole's hunting trips from the fall. I'd like to thank you for selling me such a great dog.

Regards,

Jesse Garske
