MPWCA Rules and Guidelines

New rules, regulations and guidelines have been developed and approved by the Board. The complete packet will be sent via email shortly.

Board Meeting

Watch your email for the July board meeting date. All members are welcome to attend. Bring your questions and comments.

Newsletter

Enclosed is some important information and reminders as we kick off our summer season. I've Included a few pictures from previous seasons. If you have some pictures you'd like to share from your experiences, reply to this email. I would be happy to include them in the August newsletter.

Association Meeting

The annual association meeting is scheduled for Saturday August 31st, 2024. It convenes at 9:00 am and lasts for approximately one hour. Location will be given in the August newsletter.

Association Picnic

We are looking for a volunteer to host the picnic on Sunday September 1st. If interested, please respond to this email. Or reach out to Frank Bisceglie directly.

Dues notices went out recently to all members via email. Reminder, please submit your dues payments on or before June 1st. If you have not received a notice, or if you have questions, please respond to this email.

Lots for Sale

If you are looking to sell your lot, please send a message to Frank Bisceglie authorizing the Association to release your contact information. Our policy is that your email will not be shared with anyone without your approval.

Important Reminder

When you put your lift in for the season, do not install the canopy before the boat goes onto the lift. Be sure to coordinate with whoever is installing your lift. Otherwise, this could happen to you, and you would be responsible for damages to the piers as a result.

Have a Safe and Happy Summer!
