Animal Party!

On April 25, 2018, the center hosted its very first Early Release Day Special Event. The Animal Party was a huge success! The kids loved the pony rides, holding the bunnies and chicks, petting the cow, and seeing the enormous tortoise. Thank you to our friends at Party Ponies and Farm Friends for bringing their animals out to play with us. We look forward to the next Early Release Day Special Event!!

Children's Museum of the Lowcountry

Exciting news parents!! Our 4K program has been invited to attend the Culminating STEAM Celebration at the Children's Museum of the Lowcountry. The event is free to attend and that includes parking, food, and playing. It will be held on June 2, 2018 from 5:30pm-7:30pm. If you would like to attend, please let your child's teacher know.

Teacher Appreciation Week

This week is Teacher Appreciation Week! There are many ways to let your teacher know how much you appreciate them. You can bring them an apple, a candy bar, or any other type of gift. You could write them a nice card or a lovely note to show thanks. A kind word to them about how great they are doing also goes a long way. Please let them know you care, they care so much about your

children.

Website

PARENTS! We will now be updating the website more often to include announcements, newsletters, 4K and early head start calendars, and more! Please check the website for further information at thoschild.com
