

September 16, 2019

We began our week with our children's weekly Mass. The priests will be at the Diocesan Institute this week. As you know, our weekly Masses are usually on Wednesday. Join us when it fits your schedule. It is a very uplifting experience to listen to our amazing children participate at Mass.

If you have not already returned the blue form for our First All School Mass on Sunday, Sept. 23rd, at 9:30am OLS.

All grade levels will participate in "Circle of Grace" our Diocesan-Wide Safe Environment Program for children. Attached is a parent letter stating the objectives of this program. Also included is an "opt-out" form. Please return if you do not wish your child to participate.

Please be aware the orange coned area is for **DROP OFF ONLY**. Be considerate of those families who must quickly drop off their children to meet their daily schedule. There is ample parking for those who are able to join us for morning prayer. We appreciate your cooperation.
