

Dorian Alaine Hunter, Ph.D.

Licensed Clinical Psychologist, Washington State
DBT-Linehan Board of Certification, Certified Clinician
Clinical Instructor, University of Washington

The Seattle Clinic

1700 Westlake Ave N, Suite 400
Seattle, WA 98109
dorian@theseattleclinic.com
(206) 664-1024

EDUCATION

- 2011-2013 **Joint Postdoctoral Fellowship**
Research and Clinical Fellowship: University of Washington, Behavioral Research and Therapy Clinics (BRTC), mentor: Marsha Linehan, PhD
Clinical Fellowship: Evidence Based Treatment Centers of Seattle (EBTCS), DBT track, mentor: Jennifer Sayrs, PhD
- 2011 **Doctor of Philosophy**, Clinical Psychology, Rutgers University, mentors: Barbara McCrady, PhD and Elizabeth Epstein, PhD
- 2011 **Clinical Psychology Internship**, Portland Veterans Affairs Medical Center, Oregon Health and Science University
- 2008 **Master of Science**, Clinical Psychology, Rutgers University
- 2003 **Bachelor of Science**, Psychology, University of Washington

CLINICAL AND RESEARCH INTERESTS

- Emotion dysregulation and behavioral dyscontrol
- Behavioral treatments and mechanisms of behavior change
- Mindfulness-based interventions and related mechanisms of behavior change

GRANTS AWARDED

University of Washington Alcohol and Drug Addiction Institute Small Grants Awardee, 2013
“Development of Dialectical Behavior Therapy for Alcohol Use Disorders”

DISTINCTIONS AND HONORS

DBT-Linehan Board of Certification, Certified Clinician, 2018
Research Society on Alcoholism Student Merit Meeting Award, 2011
Rutgers University Center of Alcohol Studies, Leon A. Greenberg Memorial Award for Outstanding Graduate Student, 2010
National Institute on Alcohol Abuse and Alcoholism, Ruth L. Kirschstein National Research Service Award Trainee, 2006-2010
Dean’s List, University of Washington, 2001-2003
Psi Chi, National Honor Society of Psychology, 2000-2003

TEACHING AND CONSULTATION EXPERIENCE

- 2018-present **Clinical Instructor, University of Washington**
Providing supervision of graduate and post-graduate trainees in DBT and related behavioral interventions.
- 2018-present **Consulting Psychologist and DBT Trainer, Treatment Implementation Collaborative (TIC)**
Providing consultation and training in DBT.
- 2018-present **DBT Clinical Supervisor, The Seattle Clinic (TSC)**
Providing supervision of graduate students and fellows in DBT and related behavioral interventions.
- 2018-present **Provision of APA-Approved Continuing Education Seminars, TSC**
Ongoing provision of continuing education seminars, administered through TSC.
- 2013 **Co-Trainer, Behavioral Tech**
Served as co-trainer, trainings delivered with Drs. Marsha Linehan and Tony DuBose.
- 2011-2013 **DBT Clinical Supervisor, University of Washington, BRTC**
Providing supervision of graduate students in DBT.
- 2011- 2013 **Graduate Teaching– Psychological and Behavioral Assessment**
Co-teaching graduate course on psychological and behavioral assessment with Dr. Linehan.
- 2011- 2013 **Undergraduate/post-baccalaureate Teaching – Psychological and Behavioral Assessment**
Teaching seminars on DBT, research methods, and graduate school applications for undergraduate and post-bac research assistants.
- 2011-2013 **Supervisor of Graduate and Undergraduate Research Assistants, Behavioral Research and Therapy Clinics, University of Washington**
Research mentorship: management of graduate and undergraduate research assistants in managing and analyzing clinical treatment trial data.
- 2011-2012 **Independent Clinical Trainer and Consultant**
Consultation: “Integration of Dialectical Behavior Therapy”- Two day workshop focused on understanding the basics of DBT and how to integrate principles into current clinical practice.
- 2011 **Trainer and Consultant, Portland VA Medical Center**
Consultation: “Social Support and Family Therapy in the Treatment of Addictions”- Provided didactic training and consultation to staff on integrating social support and family treatment into addictions treatment
Consultation: “Incorporating Emotion Dysregulation and Distress Tolerance”- Provided didactic training and consultation to staff on program development.

- 2006-2010 **Instructor, Department of Psychology, Rutgers University**
Teaching; Designed and taught a three-credit undergraduate course titled “Drugs, Society and Human Behavior”
Teaching: Designed and taught a one-credit section adjunct to a “General Psychology” undergraduate course.
- 2007-2009 **“Getting Into Graduate School” Seminar, Rutgers University**
Teaching: Designed and taught a seminar for undergraduate research assistants in the psychology department focused on preparing competitive graduate school applications; reviewed graduate school application materials and provided feedback.
- 2007-2009 **Supervisor of Honors Theses, Department of Psychology, Rutgers University**
Research mentorship: supervision and mentorship of undergraduate honors theses.
- 2005-2006 **Leader, DBT Skills Workshops, Behavioral Research and Therapy Clinics, University of Washington**
Teaching: Taught a two-day workshop on DBT skills for research coders
Research mentorship: Continuously monitored performance of research coders and provided feedback.
- 2003-2006 **Supervisor of Research Assistants, Behavioral Research and Therapy Clinics, University of Washington**
Research mentorship: Recruited, interviewed, hired, trained and supervised research assistants in a variety of tasks related to the administration of several clinical trials.
- 2001 **Teaching Assistant, Department of Psychology, University of Washington, Christy Kimpo, PhD**
Teaching: Assisted with lecture preparation, prepared and delivered lectures, held weekly office hours, graded papers and provided feedback.

CLINICAL EXPERIENCE

- 2017-present **Independent Practitioner, The Seattle Clinic (TSC), Seattle, WA**
Independent clinical psychologist. DBT trainer and supervisor, implementation and maintenance of training programs for graduate students and fellows, including planning of training, didactics, supervision, and consultation. Participation in DBT consultation and Functional Analytic Psychotherapy/Acceptance and Commitment Therapy consultation teams. Former member of the TSC board, which oversees several aspects of TSC functioning and future directions.
- 2014-present **Independent Practitioner, Dorian Hunter, LLC, Seattle, WA**
Working as an independent clinical psychologist.
- 2011-2013 **Joint Post-Doctoral Fellow, Dialectical Behavioral Therapy Center of Seattle, Evidence Based Treatment Centers of Seattle (EBTCS) and University of Washington Behavioral Research and Therapy Clinics (BRTC), Seattle, WA**
Supervisors: Marsha Linehan, PhD; Jennifer Sayrs, PhD; Beatriz Aramburu, PhD; Travis Osborne, PhD
Post-doctoral fellowship focused on advanced clinical training in Dialectical Behavior Therapy (DBT).

- 2010-2011 **Psychology Intern, Portland VA Medical Center, Oregon Health and Science University**
 Supervisors: Dennis Allison, PsyD; Brett Fuller, PhD; Wendy Johnson, PhD; Bonnie Nagel, PhD; Gina Ortola, PhD; Veronica Rodriguez, PhD; Daniel Storzbach, PhD; Sarah Suniga, PhD; Amy Wagner, PhD; Mark Ward, PhD.
 Assessment: Neuropsychological assessment of adults and adolescents with comorbid medical and psychological disorders; complex psychodiagnostic assessment; liver transplant psychological evaluations; standardized PTSD assessments.
 Treatment: Treatment of veterans with comorbid Axis I and II Disorders, particularly addictions, Post-traumatic Stress Disorder, and Borderline Personality disorder.
 Training in several evidence based treatments, including Dialectical Behavior Therapy (DBT), Cognitive Processing Therapy (CPT); Couple and Family Therapy, Mindfulness Based Cognitive Therapy (MBCT), Mindfulness Based Relapse Prevention (MBRP), Motivational Interviewing (MI); Prolonged Exposure (PE).
- 2006-2010 **Assessor and Therapist, Women's Treatment Program, Rutgers University**
 Supervisors: Barbara McCrady, PhD; Elizabeth Epstein PhD
 Assessment: Structured and semi-structured Substance Use Disorder and psychodiagnostic assessments
 Treatment: aiding in the development of a female-specific cognitive-behavioral group treatment for Alcohol Use Disorders; implementation of group treatment in a randomized clinical trial (RCT).
- 2008-2010 **Assistant Evaluator, New York and Texas State Bar Examinations**
 Supervisor: Jan Mohlman, PhD
 Assessment: Evaluated requests for nonstandard testing accommodations for the New York and Texas State Bars by reviewing psychological and neuropsychological reports and evaluating findings.
- 2009-2010 **Group Leader, Mindfulness Based Stress Reduction, Rutgers University**
 Supervisor: Shireen Rizvi, PhD
 Treatment: Led a mindfulness-based stress reduction (MBSR) group for parents of children with Autism Spectrum Disorders.
- 2009-2010 **Assessor, Assessment Practicum, Rutgers University**
 Supervisor: Kenneth Schneider, PhD
 Assessment: Neuropsychological evaluations of adults with learning and cognitive disorders.
- 2008- 2009 **Assessor and Therapist, Eating Disorders Clinic, Rutgers University**
 Supervisor: G. Terence Wilson, PhD
 Assessment: Eating Disorder and psychodiagnostic evaluations
 Treatment: Provided evidence-based individual treatment for eating disorders (Fairburn protocol)
 Supervision: Reviewed tapes and provided peer supervision to other trainees working with patients with eating disorders.
- 2008- 2009 **Assessor and Therapist, Anxiety and Aging Clinic, Rutgers University**
 Supervisor: Jan Mohlman, PhD

Assessment: Neuropsychological and psychodiagnostic assessments of older adults with Parkinson's Disease and comorbid anxiety disorders
Treatment: Cognitive rehabilitation; Individual cognitive-behavioral treatment for anxiety disorders (resulted in a publication of a case study of one of my clients)
Supervision: Reviewed tapes and provided peer supervision to other trainees.

2007-2008 **Assessor and Therapist, Program for Addiction Consultation and Treatment, Rutgers University**
Supervisors: Elizabeth E. Epstein, PhD; Thomas Hildebrandt, PsyD
Assessment: Structured clinical assessments of court-ordered and self-referred individuals for Substance Use Disorders
Treatment: Individual cognitive-behavioral treatment for individuals with substance use disorders, and comorbid PTSD, anxiety, depression, and personality disorders; Led a cognitive-behavioral group for individuals mandated to treatment
Supervision: Provided peer supervision of assessments and reports to other trainees.

2007-2008 **Assessor, Psychological Clinic, Rutgers University**
Supervisor: Donald Morgan, PsyD
Assessment: Psychological evaluations for disability applications

2005- 2006 **Assessor, Housing First Project, University of Washington/Seattle Downtown Emergency Services Center**
Supervisors: Mary Larimer, PhD; Joshua Ginzler, PhD
Assessment: Structured clinical interviews with "chronic public inebriates" in a harm-reduction housing project.

2003- 2006 **Therapist, Personalized Feedback with At-Risk Undergraduate Gamblers, University of Washington**
Supervisors: Mary E. Larimer, PhD; Debra Kaysen, PhD
Treatment: Motivational interviewing style personalized feedback interviews with college students with problems with gambling and drinking.

2003-2004 **Clinical Intern, Seattle Mental Health (now Sound Mental Health)**
Treatment: Worked in a day treatment program with severely mentally ill individuals; helped clients to prepare meals, write articles for and organize a monthly newsletter, provided tutoring for reading.

2003-2004 **Team Member, DBT Consultation Team, Behavioral Research and Therapy Clinics**
Supervisor: Marsha Linehan, PhD
Treatment: Member of DBT consult team, began mindfulness practice.

RESEARCH AND PROJECT MANAGEMENT EXPERIENCE

2012-2013 **Development of Dialectical Behavior Therapy for Alcohol Use Disorders**
Mentor: Marsha Linehan, PhD; Administration of randomized clinical trials (RCT) and treatment dissemination research; management and analysis of data; preparation of presentations, manuscripts, and grants; DBT adherence coding; supervising graduate and undergraduate students in research and clinical work; teaching lab seminars.
Worked on developing a clinical protocol for DBT for Alcohol Use Disorders

- 2011-2013 **Post-doctoral Fellow, Department of Psychology, University of Washington**
 Mentor: Marsha Linehan, PhD
 Administration of randomized clinical trials (RCT) and treatment dissemination research; management and analysis of data; preparation of presentations, manuscripts, and grants; DBT adherence coding; supervising graduate and undergraduate students in research and clinical work; teaching lab seminars. Worked on developing a clinical protocol for DBT for Alcohol Use Disorders.
- 2006-2010 **NIAAA Training Fellow, Center of Alcohol Studies, Rutgers University**
 Mentors: Barbara McCrady, PhD; Elizabeth Epstein, PhD
 Funding: Constituted four years of full funding including a stipend, healthcare, tuition remission, and travel and research funds
 Research: Mentorship and training focused specifically on developing a career as a clinical scientist. Didactic components focused on addictions clinical and intervention research, statistical analysis, presenting and publishing research, and grant writing
 Supervision: Supervision of research assistants and undergraduate students in data entry and management, collecting data, and conducting literature reviews.
- 2006-2010 **Research Fellow, Rutgers Women's Treatment Projects II and III, Center of Alcohol Studies, Rutgers University**
 Principal Investigators: Barbara McCrady, PhD; Elizabeth Epstein, PhD
 Research: Involved in implementation of three RCTs for women with alcohol use disorders; aided in background research and study design; wrote portions of grants; contributed to manual development and writing; aided in data integrity, management, and analysis; Administered research interviews to assess for substance used and psychological disorders; Provided manualized group cognitive behavioral treatment for women with Alcohol Use Disorders; Coded recordings of group, individual, and couple cognitive behavioral treatments for treatment adherence.
- 2003-2006 **Treatment Coordinator, Behavior Research and Therapy Clinics, University of Washington**
 Principal Investigators: Marsha Linehan, PhD; Eunice Chen, PhD; Lizz Dexter-Mazza, PsyD; Alex Chapman, PhD; Katie Korslund, PhD
 Research: Administratively managed treatment delivery and data collection in three NIH-funded randomized clinical trials and an outpatient clinic for individuals with borderline personality disorder and chronic suicidality, opiate dependence, and eating disorders; Managed research opiate replacement clinic, administered and supervised administration of Suboxone and Methadone, and collection of urinalysis and other clinical data.
 Supervision: Supervised research assistants in conducting a variety of tasks related to the operation of clinical trials including data collection, data management and coding DBT skills groups.
- 2003-2006 **Research Assistant and Therapist, Personalized Feedback with At-Risk Undergraduate Gamblers, Department of Psychiatry and Behavioral Sciences, University of Washington**
 Principal Investigator: Mary Larimer, PhD
 Research: Aided in the preparation of IRB applications; conducted brief motivational interventions for a randomized clinical trial rated tapes using the Motivational Interviewing Treatment Integrity coding instrument.

- 2005-2006 **Research Interviewer, Housing First Project, Addictive Behaviors Research Center, University of Washington**
Principal Investigator: Alan Marlatt
Research: Aided in research data collection and management; Conducted research interviews with “chronic public inebriates”.
- 2003 **Project Manager, Behavioral Research and Therapy Clinics, University of Washington**
Principal Investigator: Marsha Linehan, PhD
Research: Managed and organized clinical data from two completed clinical trials.
- 2001-2003 **Research Assistant, Behavioral Research and Therapy Clinics, University of Washington**
Principal Investigators: Marsha Linehan, PhD; Eunice Chen, PhD, Stacy Shaw-Welch, PhD
Research: Aided in the preparation of IRB and grant submissions, performed literature searches, and designed and implemented several small studies; Collected, entered, managed, and analyzed clinical data; Aided in the collection of psychophysiological data; Coded DBT skills groups; Typed summaries of clients accounts of suicidal and non-suicidal self-injury
Didactic: Participated in Honors and research seminars and DBT trainings.
- 2001 **Research Assistant**, Department of Psychology, University of Washington
Principal Investigator: Jonathan Brown, PhD
Research: Collected data for social psychological research; debriefed participants about the use of deception.
