Cactus Wren Beginners Shotgun Program

Are you new to shotgun sports?

- The **Cactus Wren Beginners Program** is offered by the Ben Avery Clay Busters to promote shotgun sports for those new to clay target sports.
- The Cactus Wren program is specifically formatted for **beginners** who are in need of instruction, coaching, and more shooting experience.
- This is a NRA Shotgun course of instruction. Participants shall be NRA certified for this program at course end and awarded NRA patches for level of shooting skills.
- Shotgun leagues provide the perfect venue to increase a shooter's skills through weekly participation and offer an opportunity to learn the rules and etiquette of competitive shotgun sports.
- Gun safety is emphasized at all times. All Cactus Wren participants must attend the Intro Seminar prior to actual shooting on the Range, so that the shooter understands the safety rules for shooting at the Clay Target Center and knows the basics to start our program's on-field clay target shooting.
- Join now — and make new friends who are beginners like you, like to shoot and are looking for friends to shoot with.

FUN! AWARDS! FRIENDS!
