Game Day Flow

Upon Arrival please check the sign at the field to determine if the field is ready for your game. It will have a green circle if ready and red if not. If it is red we ask that you wait in your car or wherever you're most comfortable away from the field. If it is green please approach the pavilion with your buddy to meet your coach. We will have a volunteer confirming that you have filled out all the paperwork and then your coach will direct you from there.

***** Please know that this may change as we are working on a whole new system for game day. All changes will be communicated through email, social media and our website.*****
