DDA SPOT-LITE

Being the editor of the 2008-09 DDA Newsletters I have selected a person that brings a great attitude to darts. Wayne has always offered advise, encouragement, and friendship to one and all in the darting community. Many people have said and done things that have made me the darter I am today (Ricky D, Mark Grencavage, RonHarris, Sam Anderson, Spanky Munger, and yes even Billy Nicoll) and I simply want to start giving credit to those who gave and continue to give back.

If you know someone that promotes darts and you would like to nominate them for the next DDA Spot-Lite feel free to contact me at furreyad@woh.rr.com. Tell me who, why, and a little bit about yourself so we can get more people like Wayne in the Spot-Lite.

WAYNE WELLS ON THE LINE

Wayne got off to an auspicious start at the age of twelve when he threw his first round of darts at his cousin's new dartboard. Within minutes they were on their way to the doctors' office to have an errant dart removed from deep in his arm. But several years later, in 1982, Wells was encouraged to enter his first large tournament and won the top spot. After that, there was no looking back.

After a stint in the US Navy and playing for several other tri-state area leagues, Wells joined the DDA in 1990. From multiple attendances at tournaments ranging from the Queen City Open to the Easy Money Open, Chicago's Windy Cindy Open to the huge Las Vegas Open, Wells consistently finishes in the top brackets and is a regular fixture at area tournaments.

Wells lives in Dayton with his wife Dawna and daughters Tori and Haley. His son, Bryan, is also a DDA member and an excellent darter. Wayne is widely recognized throughout the area as a mentor and instructor to many aspiring darters throughout the DDA and the greater Dayton darting community.

AFTER 26 YEARS... THE DDA FINALLY LEARNS HOW TO COOK! THE ONLY INGREDIENT WAS A BIG OLE CAN OF WHOOP ASS!

If you invite 250 people to tournament in Columbus, Ohio you have to make arrangements for food. It was apparent that Dayton brought plenty of canned goods for every one of their inner-state opponents.

Having heard story after story about how Dayton had not won in years past, there seemed to be pessimism surrounding the All-Star teams of yesteryear. Then last years controversial 2nd place finish left a bad taste in the mouths of many.

The plan for this year was to have Cinci, Cleveland and Columbus take a big bite of what they had been dishing out for so many years. That is exactly what we served. Whether they like it or not we are putting it back on the menu for next year.

I have never seen that many darters working together with a common goal in mind. We had men supporting the ladies, ladies supporting the men (what's new), chalkers supporting everyone and friends and family that simply wanted to be there to support everyone involved. It was a moment I wish we could freeze frame and bring home to share with the entire DDA, bar owners and patrons of those bars.

This event was truly inspiring for me. Sunday offered nothing other than bragging rights, yet everyone was doing what ever it took to get their darts to a higher level. You could say "it was something in the water", but from where I was standing, the liquids were plentiful, but it wasn't water.

**Congratulations Dayton All-Star team
1st place honors in Columbus, Ohio.**

On behalf of the entire team, thanks are in order. First of all we would like to thank our sponsor...Budweiser. Secondly, we would like to thank Allan Basset for all his dedication and hard work throughout the qualifying process and for nominating Ray (Rey²) Siebel as this years coach. With the help of the designated team captains Rey² was able to manage and position players when and where we needed them most. Last but certainly not least, the rest of the board members that make this event possible for Dayton year after year.
