News

We're off to a good start! Most of our members have renewed their membership and tournament participation has been great. Let's keep it going. If you have any friends or family members, encourage them to join our club and partake in our fabulous tournaments.

The board held a meeting on January 25th that included appointing the Member at Large vacancy. Tom Wigent has been selected and will add to the strength of our board. I look forward to working with Tom.

Here is the complete 2015 Board of Directors. If you have any questions or concerns about anything, please contact one of the board members.

Vice President	Tom Spoto
Treasurer	Greg Marksbury

Also during the meeting, the board unanimously voted Jim Palmer, Walt Warren, and Richard Flattinger to the Longo/Spoto Memorial. You will see their name plates added to the base of the flag pool in front of the pro shop in the near future.

Updates

I'm working on an online calendar where members can access the tournament schedule. The calendar includes tournament details, formats, tees, costs, etc. Click on the following link to view the calendar: [Online Tournament Calendar](#)

Also in the works is a shared drive that will have the club's Constitution and Bylaws, Tournament Schedule, prior newsletters, a member roster with phone numbers and email addresses, financial reports, board meeting minutes, and past tournament results. The goal is to

have this information available and accessible to members to show transparency. Click on the following link to access the shared drive [Online Shared Drive](#).

Reminders

Tournament Chairman, Doug Owens, has requested that you do everything you can to sign up for tournaments in advance. You can call, email or text him. It makes it much easier on the day of the tournament. If you fail to sign and then show up the morning of the tournament, you will be assigned to a group and a hole that works best for Doug and the tournament.

It has been brought to the attention of the board that during tournaments, members have failed to finish a hole and then mark the maximum score on the scorecard allowed under the USGA's Equitable Stroke Control. Failing to finish a hole is automatic disqualification from the tournament and payouts. However, disqualified members are still eligible for skins. If you or a member in your group fails to finish a hole, please mark an "X" on the scorecard for that hole. That will make it easy for Doug Owens when he's scoring the tournament.

Please don't post your score after tournaments. Gary Sutt gets the tournament scores and will post them for you.

The annual Spoto/Ebert Invitational golf trip has been booked June 5 – June 8 of 2015. The tournament is open to members and non-members. Flyers are available at Calimesa Country Club or on the [Online Shared Drive](#). If you have any questions, contact Tom Spoto.
