

5

THINGS TO KNOW ABOUT STRENGTHENING YOUR HOME

- 1** Keep trees around your home trimmed well before a storm to prevent damage from broken branches

- 2** Have the proper materials in advance to board up your windows to protect them from flying debris.

- 3** Bring loose outdoor items such as patio furniture inside. They can blow around and cause damage to homes.

- 4** Secure all doors on your property. Remember that the garage door is usually the most vulnerable.

- 5** Move your car inside a garage or to another secure location.
