## **Recognition of TheraSens Policies & Patient Responsibilities**

Patient Name: \_\_\_\_\_\_ DOB: \_\_\_\_\_

| 1. | It is the patient/parent(s)/guardian(s) responsibility to inform TheraSens, INC. of any and all changes in insurance information, including group policy number, identification number, phone numbers, addresses, etc., as soon as possible. Failure to do this could result in total patient responsibility for charges incurred Initial   |
|----|---|
| 2. | It is the patient/parent(s)/guardian(s) responsibility to attain authorization and approval for therapy with insurance companies, including Blue Cross, that TheraSens, INC. does not contract with or is considered out of network Initial   |
| 3. | It is the patient/parent(s)/guardian(s) responsibility to understand their own insurance policy regarding their deductibles, co-pay amounts, and number of allied health visits authorized and approved for the year Initial  |
| 4. | No-Shows and Cancellations: Appointments are a contract for the exclusive use of the therapist's time. Parents will be charged \$75 (no-shows/late cancellations) \$100 initial evaluation. Cancellations are late when given less than a 24-hour notice. Termination of services may occur if patients are not consistently attending their scheduled time. Cancellation Policy: We are committed to providing quality consistent services to our clients. Therapy will be most beneficial to your child with consistent attendance. It is also important that you arrive on time so that your child can benefit from a full session. We understand that there will be unavoidable circumstances that may come up. For us to plan appropriately for staff, we require that parents call to cancel their appointment for illness or an unavoidable conflict as soon as possible Initial |
| 5. | 3. For your convenience, TheraSens, INC. allows parents/legal guardians or caregivers to leave the premises during their child's appointment. However, it is very important to be back on the premises at the end of your child's treatment, so the therapist can discuss treatment with the parent/legal guardian or caregiver and to ensure your child's safety if there is no one that can stay with your child Initial  |
| 6. | If TheraSens, INC. notices chronic tardiness in picking up children, we will begin asking the parent/legal guardian or caregiver to stay during the patient's treatment. TheraSens, INC. must have a cell phone number to reach you before leaving Initial  |

| 7.  | TheraSens, INC. realizes the parent/legal guardian or caregiver's time is important, and it is our sincere intention to honor all appointment times. On occasion, a delay or emergency will occur, and we may need to delay or reschedule the patient's appointment. If this occurs, notification will be given as early as possible. To expedite this process, we ask the parent/legal guardian/caregiver to provide us with a daytime telephone number for notification purposesInitial             |
|-----|---|
| 8.  | Out of pocket Policy: Insurance policies are contracts made between the patient and the insurance company. When insurance does not provide payment of therapy costs, payment of the bill is your responsibility. If for any reason treatment is denied by your insurance, we will charge for the usual and customary amount paid by your insurance companyInitial   |
| 9.  | Both private insurers and the Federal Government prohibit waiving and/or reducing the co-payments and deductible amounts due. Due to company and industry wide standard ethics, we are required to collect all copayments and deductibles that are due by your specific policy. We are obligated to follow these standards. Initial   |
| 10. | Occasionally we have trained volunteers completing their hours for occupational therapy, physical therapy, and other health related science programs. TheraSens, INC. plays an important role in helping students in their professional development. Initialing indicates that you give permission for the volunteers to shadow treatments or assist the therapist as needed when working with your child. Volunteers are screened and are required to abide by HIPAA confidentiality policiesInitial |
