

Goebert Automotive Supply

Goebert Automotive Supply was first established in Geneva in 1962. Our Newark store was purchased in 1969 and has been affiliated with NAPA from the beginning. We stock parts for cars, trucks, tractors, lawn mowers, small engines, marine, and almost anything with an engine.

Our computers are connected to nearby NAPA stores and every NAPA distribution center in the U.S. If we do not stock a part, we can usually have it that same day or the next morning. We also custom mix paint, assemble hydraulic hoses, recycle used motor oil and car batteries and have an in-depth inventory of tools and equipment.

As a NAPA store, we currently sponsor Chase Elliott in the NASCAR Xfinity Series. Next year he is moving up to the Sprint Cup and we will be sponsor him in the No. 24.

Our staff has over 100 years combined experience in the auto parts business and truly personifies the NAPA slogan of:

"NAPA KNOW HOW".
