

# AAU National Championship Meet 2023

OPTIONAL

MAKE IT A  
VACATION

WORLD CENTER MARRIOTT - ORLANDO, FL

JUNE 29 - JULY 3, 2023

## Here's what we know:

There is no opening ceremonies this season.

Competitions will begin on June 29th or 30th and will most likely go until July 3rd. The event typically start with lower levels but there's no guarantees until the registrations are in.

Gymnasts will compete against others in their level from all states. Stars Gymnastics & all clubs that we compete against during the regular season will be representing the State of California.

All California participants will wear matching leotards, which will also be worn at the Regional Championship. (more info regarding the leotard to come later) This is a huge event with the expectation of about 3,000 participants.

Competitors will participate in one session that lasts about 3 1/2 hours, just like any other meet. You may attend additional sessions as a spectator if you choose to.

You may turn your gymnastics trip into a family vacation, working around your one session.
