I currently have booked 8 Two bedroom/two bath condos with two guests in each room. The cost is \$1278 pp.

There are other choices which may be available at different pricing.

Below are some images of the units. The units vary since they are individually owned.

**If you select a different room type than the 2 bedroom/2bath condo, I will need to know in advance to see if I can change to that type of unit.**

**Pricing for lift tickets, skis, plane fares and transfers is currently not available.**

**This trip will be available for you to register the first week of May.**
