

February's Round up

It was a busy month for Grange Machinery. February saw the launch of our ****Low Disturbance Toolbar Introductory Offer to the first 10 customer****.

We attended the [Yorkshire Agricultural Show \(YAMS\)](#) and the [Agrii UK Northern Farming Conference](#).

[Agri Machinery News](#) wrote a manufacturers profile about all the products we offer and Farming UK ran a [video on our 4m Low-Disturbance Toolbar](#).
