COMPANY PROFILE

Hi-Tec Professional Solutions, Inc. (HPS) is a Georgia-based Small Disadvantaged Business (SDB). We have consistently provided a high quality of technical and professional services to our client base since 2004.

PURPOSE

Our purpose is track top talent. We Recruit, Prescreen, Test, and On-board the best available talent to assume responsibility for our client's projects. HPS has distinguished itself as a leader in tracking engineering, technical, and professional talent.

FOCUS

Our focus is: 1) Meeting customer expectations, 2) Continual improvement with our service delivery system, and 3) Substanting progressive methods of operation by staying plugged into new technology, training, customer feedback, and employee relations.

CORE COMPETENCIES

Contract Labor- Provide additional flexibility by allowing clients to bring workers in on a contract basis for a specific period of time.

Contract to Hire - Offers clients an opportunity to work with our employees for a trial period to ensure the employee has the desired skill set.

Permanent Placements - Direct placement of full-time employee to client.

Payroll Services -We payroll client's referrals, so they can focus on their core competencies.

Managed Services - We manage client recruiting.
