FROM THE PRESIDENT

July 1, 2025

I don't know about you but I had a peach of a time last week at the Trenton Peach Festival Parade. John and Sandra outdid themselves this year with their hospitality and generosity. It was great to see Sandra, who was not simply up and about after her slip, but who was hosting all of us with style and grace. I want to thank all of our members who helped set up and put away the tables and chairs as well as those who brought side dishes and desserts for the meal. If there is one thing GASCAR members know how to do, it's work together to get things done. On top of all that, we had the honor of spending time with Henry and Annette Jones. We are all so glad you could make it. Thanks also to Mike Smith for our outstanding Lunch-Away to Peggy's in Wrens. I had high hopes for the experience and was not disappointed. We had great food and a delicious blackberry cobbler that was made by Kay McIver. We are certainly blessed to be able to do these types of things. As we look forward to Independence Day later this week, please take a minute to stop and reflect on how different our lives would be if it weren't for the blessings God has rained down on us. Happy Fourth of July everyone.

.

Scott Wilkes
