Waiting Pool Information

1. Teachers' children are automatically moved into available spots after a successful interview/visit.
2. Children already enrolled at Amare Montessori (e.g., a child moving from the Toddler Program to the Primary Program) will have priority over new children to move to the next level.
3. Siblings of children already enrolled in the school are automatically moved into available spots after a successful interview/visit (after teachers' children).
4. New children's applications go in the waiting pool for each program. We strive to maintain balance within each of our classrooms in regards to multiple criteria including a balance of ages, gender, and Montessori experience. Application date is also taken into consideration. Children will be interviewed from the waiting pool as spaces become available and families have 10 days after being offered a space to complete the Enrollment Packet and process.
