Dear Neighbor,

Your support has a positive impact on every instrumental music student enrolled in Flushing Community Schools. **Every Flags Over Flushing subscription will result in a \$5 credit for a high school or middle school music student.** Please make sure to include the student's name on the form below (or online) to ensure your new subscription is credited to the student of your choice. (Unspecified subscriptions will be awarded as scholarships!)

****Subscriptions are not active until payment is received - if no payment is received with this form a PayPal invoice will be e-mailed****

IMPORTANT CHANGE FOR 2021 - In an effort to standardize our flag displays and assist our volunteer crews - flags will be installed in a uniform/standard location to be determined by the Flags Over Flushing installation crews. This may mean that your current display could be repositioned this year or in the future.

Please let us know, in the section below, if you have any buried invisible dog fence, sprinkles, etc. Also, please check any HOA regulations that may prevent us from displaying a flag at your location! (flag display sockets protrude 1 foot below the surface)

Thank you!

Cathy Cupal
