

A friend to the shelter

Wedowee Marine South and especially general manager Eric Morris helped raise \$800 for the Randolph County Animal Shelter critters on June 15 at the 48 South location. Jason Earl performed at Randy's on the River on the outdoor deck. The shelter received ticket sales monies, direct donations for the benefit of our local Randolph County Animal Shelter, plus Eric's fishing winnings.

Eric fished the best of the best in the Northern Alabama Bass Trail Tournament that day, with 224 boats that had two fishermen each. Eric fished solo, and he still placed 39th of 40 in the paycheck department. Eric loves animals and donated half his \$500 winnings to the animals. RCAS is thankful for the continuing support of their Gold Sponsor, Wedowee Marine.
