• Stall reservations and along with a valid check/cash/mo must be **postmarked 10 days prior** of the show date to qualify for discount. This is deposited separately from entry fees after the show.

- If your trainer is reserving your stall, then a trainer stall form should be filled out and sent to me
- If you are sharing a tack, please contact your other person to determine who is reserving it and then settle with them accordingly

• Specific camping spots are not held with your reservation. This is strictly to ensure that enough electrical camping outlets are unlocked and available for those paying for one.
