**Thanks** to everyone who volunteered at the 50th Annual Dunkirk Automotive Flea Market!! Although the weather wasn't as cooperative as we would have liked, we had a good turn out!! This is our only fundraiser to earn money for tours, charities and other club activities – our June General meeting should have a final tally of how we did in 2018. The Appreciation Dinner is going to be held at Olive's, Chautauqua Suites in Mayville come October.

**Chautauqua County Independence Day Parade** will be held on Wed., July 4th at 10am in Mayville, NY. As per his usual, Mark Smith has registered our club under CLRAACA starting at 8am in the Chautauqua Lake Central School parking lot (Rte. 394/N. Erie St., Mayville) and all cars will be judged at 9am. This year's theme is "U.S.A... BOLD STRIPES, BRIGHT STARS, BRAVE HEARTS". Mark hopes to get us lined up early in the parade so that we can gather at the park to enjoy a full slate of affordable family fund! Thank you again, Mark, for organizing this annual event for the club!

## **TOURING DO's & DON'Ts**

*by Howard Finney, Chairman  
2000 Eastern Divisional Tour*

- Expect anything! Anticipate everything!
- Hopefully, the routes you've selected will take you away from mainstream traffic. Sometimes, however, even getting to those back roads can present a challenge.
- Before the tour every member should fill his/her tank up with fuel. No fueling stops should be on the tour.
- Driver's meeting – at time of tour –
- Printed directions for all driver's. Tour chair's cell phone # should be ON directions.
- Keep a reasonable distance between vehicles. (You have directions)
- Keep up a reasonable speed. (At the driver's meeting inform them of the speed you will be going.)
- Will obey all traffic rules and regulations.
- Keep an eye on the person BEHIND you.
- If you do pull over use the simple THUMBS UP or THUMBS DOWN so as the tour can continue. Thumbs down the vehicle behind you should stop.
- Tour routes should include some pauses, such as stopping points for sightseeing, going to the bathroom, etc.

## **TO HOST AN EXCELLENT TOUR**

*by Howard Finney, Chairman  
2000 Eastern Divisional Tour*

### ***SOME IMPORTANT HIGHLIGHTS FROM HIS ARTICLE:***

First and foremost your Region/Chapter must be committed to the task and a Chairperson chosen who wants the leadership role. The tour chairperson (s) must be willing to run their tours, as many times as is necessary to ensure that there are no glitches. All tours must be run a few days before the start of the scheduled tour. Coffee, lunch and dinner stops must be planned (if they are part of the tour.)

All tour maps and mileage pages should be accurate and take into consideration all optional tours. The tour booklet should include all the necessary information of all the attractions on tour.

All meal menus should have a minimum number of choices with consideration to all likes/dislikes.

All sub committees should be given the freedom to organize their responsibilities as long as they fit with all the other committees.
