MOBA MUSEUM OF BAD ART Dopplehangers

Thursday, October 27th at 6:30pm

The Museum Of Bad Art (MOBA) is dedicated to art in which something has gone wrong. Since 1993, they have collected art from thrift stores, yard sales, sidewalk trash, and even the artists who create it. They analyze, compare to classic art, and share with thousands of fans around the world. With tongue-in-cheek commentary and a light-hearted attitude, MOBA shows that art and art museums can be fun. In this "Dopplehangers" program, Michael Frank, the curator of MOBA, will present art that, intentionally or not, resembles famous people.

This program is supported in part by a grant from the Lakeville Arts Council, a local agency which is supported by the Mass Cultural Council, a state agency.
