c. C. wished to save the tree spirit.

Answer to the questions.

1. Why did the king want a big and strong tree?

Ans-The king wanted a beautiful palace which would be supported by a single column in the centre. He wished the column to be made of wood and so he wanted a big and strong tree.

2.What was special about the sal tree?

Ans- It is the home of an ancient and wise spirit who has protected all the villagers for generations.

3 Why did the tree spirit appear in the king's dream?

Ans- The tree spirit appeared on the king's dream to beg him to change his mind about cutting the sal tree.

4. What was the effect of the dream on the king?

Ans-The dream of the king changed his mind and ordered his minister to built the column with stone.
