Yellow Owls March News

Dear Parents,

Well, we did it...We made it to March without any major snowstorms. But you realize, now that I said that, we will be having one sometime in April! It is Wisconsin after all. I don't know about you, but we are sooo ready to get outside and take a walk.

Recent Accomplishments:

- Ayden** Has graduated to the Toddlers ...We will miss you so much! :(
- Presley** Is moving all over the place. She says "Hi" and a few other words, and she laughs out loud all the time.
- Mason** Pulls his little self up to stand... all the time. He also gets around the whole room without even crawling.
- Charlotte** Is almost sitting by herself & is practicing with a sippy cup.
- Nola** Loves to play "So Big" and is seen clapping all the time!
- Kira** Has joined the Tooth Club... Yay Kira!!
- Levi** Loves to "talk" smile, and look at his Cute self in the mirror.

We have also added two more friends to our class... Cameron and Maverick. We can't wait to play with you. :)

Please remember that our center will close at 4pm on March 25 for a staff development day.
