

8/14/2017

The minutes for July were read and accepted.

R.C. report

Nothing to report.

Outstanding raffle tickets were handed in, thanks to the members for selling them.

Treasures report given and accepted.

Road Captain's report

August 23rd, meet at Mc Donalds in Potterville at 5:15 for a ride to the Road House for stake night.

A mystery ride for September 14th well meet at Wendy's in Dimondale at 5pm.

Legislative report

We got word at Region 13's PAC run that The Awareness bill has passed.

AMA is asking us to contact the EPA to ask them to lower the amount of ethanol being forced into our fuel, the amount was lowered, but by only a very small amount, there is still way to much going in the fuel.

New business

A motion was made to ride to Region 12's camp out, just for the day and dinner. The motion was tabled till our next meeting.

Dan asked if anybody was going to Easy Riders Rodeo.

Meeting closed.

Thanks to Joe for the donation.

Nick

Region 9 R.C.

Report for 9/11/2017

Minutes for 8/14/2017 read and accepted.

R.C. report

A moment of silence for the victims of 9/11.

Announced the names of the raffle winners. I know, I didn't get them 100% correct.

Treasurer Report

Report was given and accepted.

Products Report

No report.

Road Captain report

September 14th ride will meet at 5pm at Wendy's in Dimondale, Wendy's is at the corner of Lansing Rd. and Davis Hwy. (the road to the Harley dealer).

A motion to ride to Region12's dinner and camp out was made, there was no second, motion denied.

Region 20 will have a Rave ride for the Safe Center, Sept.16 at Dedics bar and Grill, M52 north of Owosso, sign in 10am to noon. I stated that if anybody would like to ride there with me to give me a call.

October ride will be decided at the October meeting.

Legislative report

Reported on ABATE active legislation HB-4305, HB-4480, HB4466, and SB-160.

ABATE is working on a Motorcycle Advisory Board.

MRF informed us of two studies done that advocate for universal helmet laws, while I was looking at the abstracts for these studies I found a study concerned with the affects of the types of curves on single motorcycle crashes.

<http://trjournalonline.trb.org/doi/pdf/10.3141/2637-06>

<http://trjournalonline.trb.org/doi/abs/10.3141/2637-14> click right for the report on curves.

MRF continues their frustration with the fact that the Motorcyclist Advisory Council lacks motorcyclist.

Congress is working on the Self Drive Act, it would put 100,000 driverless autos a year on the road. MRF is watching this closely.

There was no old or new business.

Meeting closed.

Ride safe

Nick
