

History

2021-2022

What is history? History is a record of events which tells an accurate story to succeeding generations. The goal of the Unit and District historians to compile the activities throughout the year beginning with the installation of officers at your Unit or District level.

IMPORTANT IMPORTANT IMPORTANT

There is no mid-year report form; however, I ask that each Unit/District historian provide me a bulleted list of activities/accomplishments the Unit/District has accomplished so far. It does not have to be a detailed list, just highlights.

- Start your history with the June 2021 Convention.
- When writing the history, ensure it is written in third point of view.
- Include President Jennie's theme when writing the history. Her theme this year is PTSD. Did you have any fundraisers for President Jennie's Special Project? If so, Include that in your history.
- If your Unit/District is planning any activities when our National President visits, include those activities in your history.
- Document any special events in your Unit/District and how they relate to both Department and National theme.
- Did your unit get media coverage from newspapers or local television?
- If submitting a History Book at Convention, read, read and read the instructions. Go to the Department website and look at the book of awards. All instructions are listed there.

Contact me anytime if you have any questions.
