It's that time of year again where Florida humidity makes it very easy for mold

and mildew to flourish. Please if your property borders the fence in Shadowmoss it is your responsibility to keep the inside of the fence clean.

With all the rain the grass grows quickly. If you live on a cul-de-sac please make sure that you are cutting your lawn and other trees/ plants all the way to the end of the property which is

where the mailboxes are located.

Please take a moment to survey your property to see if anything needs attention such as **grass, weeds, power-washing of houses/driveways/ sidewalks.** Please remember that

owners are responsible for keeping their sidewalks and driveways clean.

The county will maintain sidewalks if repair is needed but owners are responsible for keeping the sidewalk free of mildew, grass, and weeds. **The Association**

will be surveying all properties soon.

WELCOME!

The Charlotte County Sheriff's office has made the public aware that the 2020 Census data collection effort will begin August 4th through October 11, 2019. The Census Bureau's temporary field staff will work in

neighborhoods across Florida to update address lists and maps using a laptop computer. Field staff will be knocking on doors in order to verify addresses and gather information on additional living quarters, in an effort to accurately count the population.

If you are visited by someone from the Census Bureau, here are some ways to verify the individual is a Census Bureau employee. The field representative will present an ID badge that includes:

- their name, their photograph,
- a Department of Commerce watermark, and
- an expiration date.

**** Please note that the Census Bureau will never ask for your full social security number, bank account number, or passwords.**** For more information you can visit
