

Printing Instructions for *Can I Tell You Something?*

Printers do vary in how to print certain documents, so what I am sharing are basic information to help print out the book in that form. Again, you may need to play around a bit with setting but be warned: *The document is 178 pages* so the wrong settings would mean lots of wasted paper.

In most printer setups:

File/Print/Page Setup

Margins:

0.5 top

0.5 bottom

0.5 inside

0.5 outside

Orientation:

Landscape

Pages:

Bookfold

Sheets per booklet:

All

Settings:

Print all

Print both sides (should be part of “bookfold”)

Flip pages on short edge
