9.30am-2.30pm

WHERE

New York Primary
School

Lanark Close, North Shields NE29 8DP

The Every Lesson Outstanding Programme has been written by a collaborative of seven North East Teaching Schools.

Comprising four half-days the programme aims to challenge teachers to develop their knowledge, understanding and everyday practice so that they consistently and confidently deliver lessons of the very highest quality. The programme will enable participants to

- *Know the key concepts underpinning outstanding practice
- *Understand the impact of these concepts in developing excellent learning
- *Deliver these concepts through consistent practice
- *Self-assess and audit their own teaching through learning activities, lesson observations, facilitated de-briefs and follow up mentoring
