LV 840 SERIES

The first in the Lodging Value Series

The 840 Series Lodging Value (LV) TV is the first in RCA's new line of Hospitality Televisions. Designed with a slim bezel for a modern look, the LV improves on features found in its predecessor, the LE Series. Keep your guests happy, with upgraded features like channel remapping and volume controls. Developed to keep guests entertained, without disturbing nearby rooms. The 840 series also unveiled the new Ad Splash feature, and RCA hotel management software. Making this line the easiest to set-up and update, all while reducing the total cost of ownership.
