For Local History/Genealogy Enthusiasts...

The Lakeville Library is pleased to announce the addition of Ancestry® Library Edition to the resources we offer. You can access Ancestry® Library Edition for genealogy research in the building on our public computers. (Home access is not available at this time.)

Ancestry® Library Edition, distributed exclusively by ProQuest and powered by Ancestry.com, delivers billions of records in census data, vital records, directories, photos, and more from countries all over the world. (Please note that this product is different than AncestryDNA®. Unfortunately, we cannot help you in interpreting your results from AncestryDNA®)

Need help researching your family tree? Schedule a time to meet one-on-one with Cynthia Souza, our resident expert on Genealogy Research. She can help you navigate Ancestry.com Library Edition as well as the resources we have available in our newly re-organized Brian H. Reynolds Local History Room.

Patty McMahon Memorial Group Art Exhibit

"Wildflower Joyride" by Patricia McMahon

Patricia A. (Sullwood) McMahon was a resident of Lakeville who passed away in May of 2021. She was a devoted patron of the Lakeville Public Library, as a reader and an artist in the Great Ponds Gallery. Her work was seen in many of our group exhibits and we could always depend on Patty to provide us with a beautiful and painstakingly produced painting such as her watercolor on the left. She is missed by her friends here at the library, and especially the Great Ponds Gallery.

Opening Reception: Thursday, June 8th (5:30-7:30pm)
