

## The **ULTIMATE** Personal Emergency Response System

The Freedom Alert allows you to call family and friends, as well as 911. It is the world's first programmable two-way voice pendant communicator with no monthly fees.

The pendant can be carried in 3 convenient ways. Included with each system is a Lanyard, a Wrist Strap/Wheelchair holder and a Belt Clip.

The pendant is water resistant and can be taken into the shower, where many serious accidents happen.

- No monthly fees, activation costs or contracts
- Program up to 4 numbers for family/friends
- Calls 911 if no answer on programmed numbers
- Complete call coverage in and around most homes
- All you need is a land line!
