Payable By:

- Post-dated Cheques
- Visa or Mastercard²

² Set up as auto-payments and scheduled for withdrawal by Glenbrook Preschool Society through 'Stripe' on the 1st of every month during our school year. Paying tuition fees with a Credit Card is subject to a standard service fee, which will be applied to each monthly tuition payment.

NOTE: Glenbrook Preschool participates in the Alberta Government Affordability Grant Funding Program for 2024/2025 to assist families with lower tuition fees. With the Affordability Grant, the Government of AB pays \$75 monthly towards tuition fees for every child registered in a licensed preschool. This payment made by the Gov't has been reduced and is reflected in the fees above. Should our agreement be annulled anytime and if the government withdraws the \$75 monthly affordability grant funding, the parent fees portion of the payment amount would be increased by \$75 per month.

By continuing to register your child into Glenbrook Preschool Society's Preschool Program, you acknowledge and accept the details outlined and the note mentioned in our 2024/2025 Tuition Fee Schedule above. For more information regarding admission, fees and payment, please refer to our Policies and Procedures and the GPS Parent Handbook, which can be found at www.glenbrookpreschool.org.
