DESCRIPTION: The famous Bear Kodiak Magnum received a new look for 1969, a Tigerwood riser with artc grey limbs and black tip overlays. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. No chips, dings or cracks. No stress lines. 2 filled sight screw holes on the face (see pic on last page). A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot.

Comes with a new Bear style rug rest and Kodiak strike plate, and a new Dacron string.
