NO JUNE, JULY, OR AUGUST MEETING

Tulare's C. W. Medal of honor winner, but only the Spencers came down, so due to lack of interest, no further attempt.

3. PRESIDENT'S MESSAGE

BY MICHAEL SPENCER

No message received.

4. SECRETARY'S AFTER ACTION REPORT, 3/18 MEETING

BY RON VAUGHAN

I spoke on CSA Officer General Tyree Bell. This topic seems to be cursed! On my last attempt, my text had disappeared from my laptop. I received a copy I had sent out, but this time, I had great problems with the computer/TV screen! Eventually, with Michael's assistance, we were able to get the program running. Tyree Bell was a CSA General, who after the war, moved to California, and eventually passed away, and is buried in a cemetery south of Fresno, West of Sanger.

5. CIVIL WAR HUMOR

My copy of “The Blue & Gray Laughing” is missing, so will publish next time! Sorry.
