

Let it Heal

2400 Brant Street, Burlington ON L7P 4N3

TMJ Instructions

Avoid extending your jaw fully over the next week. When you yawn, modify it slightly so it doesn't hit the farthest reach of your open range. Do not receive dental work requiring your mouth to be held wide open. Avoid large bites of food such as an apple; instead, cut it and eat it in slices. Let your jaw find its correct alignment by giving it time in its normal range.
