

CBHI

CANADIAN BARREL HORSE INCENTIVE FUTURITY

Ponoka, Alberta – October 9-11, 2015

Futurity Sweepstakes Champion

JORDI LIKES & HEAVENSENT KING GIRL

Jordie Likes made her trip to Ponoka, AB worthwhile by winning the Futurity Sweepstakes and pocketing \$23,400.00.

“The CBHI event is something I look forward to all year--spending all season preparing for it and setting goals for it! I think they do a very well put-together event--its very organized--all the people that help with this event do an outstanding job. The CBHI is an event I will continue to go to for many years! They had an amazing turn out this year and I feel it will continue to grow”.

Barrel Racing tip:

Have fun and believe in yourself and your horse. Believe you can do it. Believe you will get it. If you are a confident leader your horse will take you where you want to go.

Futurity Champion

KATIE GARTHWAITE & SHUFIRE

Ponoka CBHI Futurity was pretty exceptional for me this year. The little mare I ran, Shufire, is owned by a lady that lives in Eugene Oregon, Connie McCormmach. I ran her in the warm up race on Thursday and ended up winning second, so I had a feeling it was going to be a good weekend.

We won 3rd in the first round on the bottom of the ground. Then came back in the 2nd round and won that one and came back to the short round, winning first. Shufire has a pretty amazing mind and seems to just get tougher with each run as she got faster each time. The short round was pretty wolfy and it got exciting!! I ended up running my fastest time of the weekend a 17.2 and winning second in that round and first in the average. I feel very fortunate that Connie chose me to ride this mare. She is a gritty tough little mare.

As for training techniques ~ I have lived and grown up on a ranch my whole life, so I like to ride all my horses out, chase cows and get them good and broke. When I start them on barrels, I like to keep it simple. I want my horses to be soft in the face, break at the pole and stay true in the shoulders. I lope circles--big ones and little ones. I like my horses to get confident in the turns so I give them a bit of extra room on the backsides of the barrels and get a nice finish leaving them. I feel that in the end this gives them the extra quick snap on the backside, which makes them quick.

I don't drill my horses for hours and hours or even every day. I will ride them for 30/40 minutes depending on the day. Sometimes it can be longer, but I feel with the young colts you lose the focus and then you lose what you are trying to get accomplished.

As for breeding and papers for horses I have pretty much rode every kind. I do love the cow horses crossed with some run. I tend to get along with that kind a bit better, though that is just my preference. I have some Judge Cash, Famous Bugs, Best Advise, JD Look, Frenchmans Guy, Good As Nick Gets, and Blazin Jetolena. I am pretty excited about my herd of horses I have right now--can't wait to see where the future goes!!
